HELLO

Advance your quality expertise with the CQI and IRCA Professional courses.

Designed for experienced practitioners seeking strategic expertise and a pathway to Chartered Quality Professional (CQP MCQI) status.

The **PROFESSIONAL CERTIFICATE IN QUALITY MANAGEMENT** is awarded on successful completion of all six courses.

1: WHY CQI AND IRCA CERTIFIED TRAINING?

For more than 100 years, the Chartered Quality Institute (CQI) has been championing organisational excellence by setting professional standards for quality management in the UK and globally.

With 20,000 members in 100 countries, they are the partner of choice for quality management practitioners and through its International Register of Certificated Auditors (IRCA) certification, for management systems audit professionals.

60,000 delegates in over 100 countries across the world undertake CQI and IRCA Certified Training every year. Here's why:

With three levels of training – Foundation, Practitioner & Professional – the option of completing comprehensive programmes, or modular courses, you can create a learning journey perfectly tailored to your needs whatever your career stage.

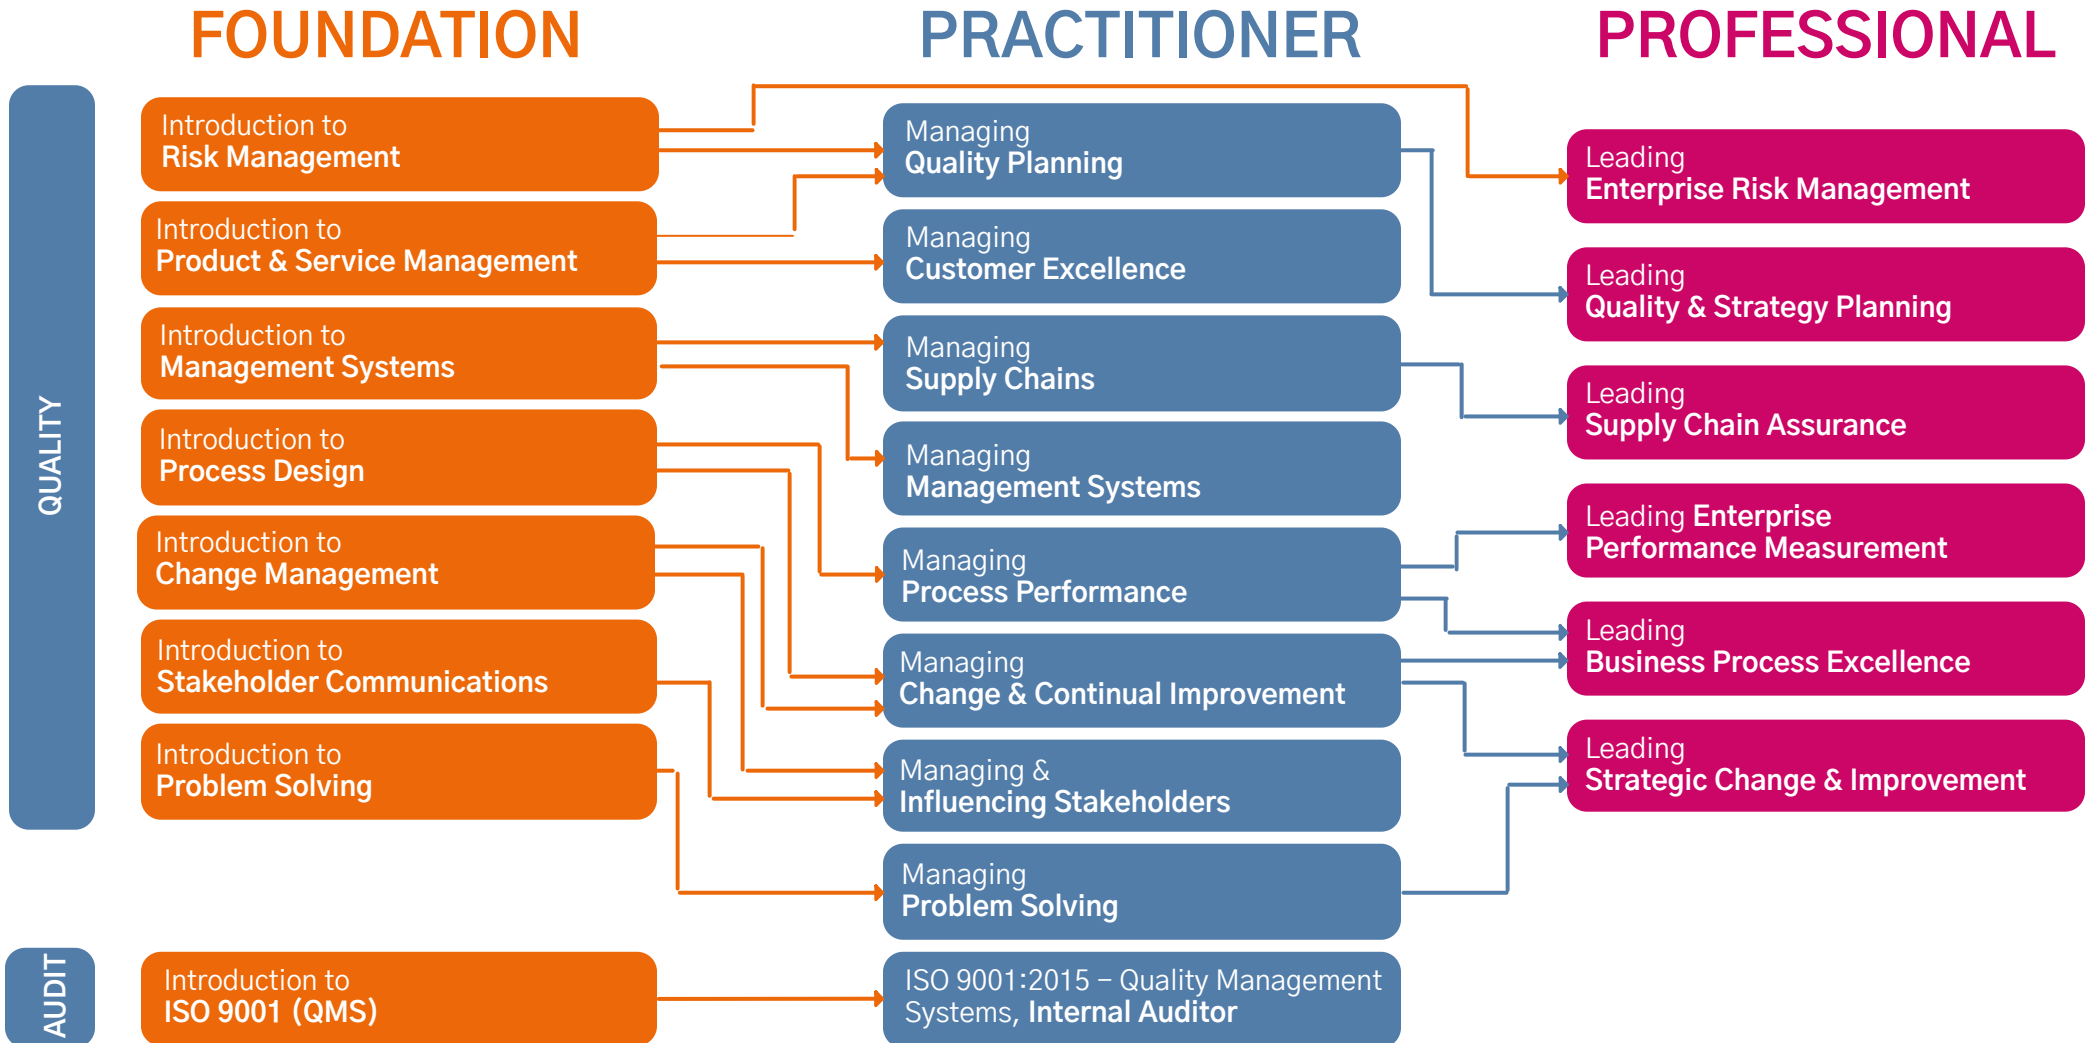

Training is aligned with the Profession Map so you gain relevant, up-to-date skills employers want.

CQI and IRCA Certified courses lead to CQI membership – Affiliate, Practitioner (PCQI) and Chartered Professional (CQP MCQI) and IRCA Certification.

1: TRAINING PATHWAY

1: ADVANCE YOUR QMS EXPERTISE

CQI and IRCA Professional courses equip experienced quality professionals and aspiring middle managers with the knowledge to lead, apply management-level quality principles and make a real impact.

THE PROFESSIONAL CERTIFICATE IN QUALITY MANAGEMENT

A comprehensive programme in quality management across six expertly designed courses – deepening expertise, strengthening skills and building the confidence to apply quality management at a strategic level.

Achieve the Professional Certificate upon successful completion of all courses and further advance your quality management career.

CREATE YOUR PERSONALISED TRAINING PATHWAY

Select individual courses to create your learning pathway uniquely tailored to your role, interests and career goals.

1: WHY ROVE?

Since 2010, rove has been an Approved Training Partner (ATP) of the CQI and IRCA, delivering courses that meet the highest professional standards. Supported by robust processes and ongoing external assurance, rove ensures every course consistently meets rigorous quality requirements.

Dedicated to developing the knowledge and skills of quality professionals, rove delivers the full suite of CQI and IRCA Certified Quality Management courses – from Foundation to Practitioner and Professional levels – enabling delegates to gain recognised certificates and follow clear career progression pathways. Rove also offers Introduction to ISO 9001:2015 and Internal Auditor (Quality Management Systems) courses.

Since 2016, when the courses were introduced, rove has...

1: CQI MEMBERSHIP

CQI MEMBERSHIP

Joining the CQI makes you part of a unique network of thousands of professionals working in quality management. Becoming a member of the CQI gives you opportunities for learning, development and networking, as well as unrivalled recognition – showing your colleagues and employers that you're serious about your profession and committed to developing your expertise.

Read more about membership [here](#).

If you apply for CQI membership at Affiliate or Practitioner grade within 16 weeks of completing your course, the CQI will waive the application fee. Simply email applications@quality.org and request the code.

WHAT COURSES CAN YOU STUDY?

The **Professional Certificate in Quality Management** is awarded by the CQI on successful completion of all six courses.

The Certificate meets the knowledge requirements for membership of the CQI at Chartered Quality Professional (CQP MCQI) level.

You can select individual courses to create a personalised learning pathway.

2: AT A GLANCE

The **Professional Certificate in Quality Management** – A comprehensive pathway to strategic level quality expertise.

Leading **Enterprise Performance Measurement (PR302)**

You'll develop leadership skills in applying performance measurement within your organisation's systems and processes. You'll leave equipped to coach and guide top management teams in creating enterprise-wide performance measurement frameworks and KPIs, supporting both strategic goals and operational performance.

Leading **Quality Strategy and Planning (PR303)**

This course helps you develop leadership skills in applying quality planning within product and service portfolio management. You'll leave confident in coaching and guiding top management teams on strategic portfolio management, quality policies and defining key roles for effective implementation.

Leading **Business Process Excellence (PR304)**

This course develops your leadership skills in applying systems thinking across the whole organisation. You'll leave equipped to coach and support top management teams in understanding and implementing system leadership, including the key roles required for success.

Leading **Supply Chain Assurance (PR305)**

This course develops your leadership skills in applying risk and quality planning within supply chain assurance. You'll leave able to ensure customer and stakeholder requirements are met, assess supply chain capability and coach top management in strategic supply chain leadership and supplier quality roles.

Leading **Strategic Change and Improvement (PR306)**

This course develops your leadership skills in designing and implementing improvement programmes. You'll leave confident in coaching and supporting teams at all levels of the organisation, using a range of approaches to drive effective change and continuous improvement.

Leading **Enterprise Risk Management (PR307)**

This course develops your leadership skills in applying risk management across the entire organisation. You'll leave equipped to coach and support top management teams in understanding and implementing a systemic approach to risk leadership.

2: THE PROFESSIONAL CERTIFICATE IN QUALITY MANAGEMENT

OVERVIEW

A comprehensive route to advancing quality expertise.

The Professional Certificate in Quality Management is awarded by the CQI and IRCA on successful completion of all six courses. It supports application for membership of the CQI at Chartered Quality Professional level.

CERTIFICATION

Certificate of Achievement

2: LEADING ENTERPRISE RISK MANAGEMENT (PR307)

3. Risk assessment and treatment (mitigation) techniques:

- Risks and risk velocity – risk classification
- Frameworks – risk registers and matrices
- Identification techniques
- Mitigation techniques
- Audit (internal and external)
- Decision theory
- Limitations of data and statistical techniques
- Risk management information systems
- Risk maturity
- Key Performance Indicators (KPIs), Key Risk Indicators (KRIs) and Service Level Agreements (SLAs).

4. Become a trusted advisor organisation (soft skills):

- Relationship management
- Appreciation of the behavioural skills required to be able to engage with top management, the Board and other key stakeholders
- Communication skills and mechanisms of communication
- Collaboration and partnering
- Education, competency and skills
- Emerging risks.

WHAT'S INVOLVED?

3: YOUR LEARNING JOURNEY

3: LEARNING & ASSESSMENT

Advance your quality management expertise with our flexible, fully online courses, designed to fit around your schedule.

Flexible Learning

Study at a time, place, and pace that works for you. Delivered over 10 weeks, giving you time to absorb, reflect and practise your skills.

Individualised Tutor Support

Benefit from a dedicated tutor providing personalised guidance, feedback and support throughout your course.

Structured Assessment

Learn through comprehensive content, supported by structured assessment activities to consolidate your knowledge.

Online delivery

Access all learning, assessments and support through our Learning Management System – anytime, anywhere.

Our approach ensures you don't just learn the theory – you actively apply it, receive feedback on your performance and build the skills required for effective quality management.

3: HOW LONG DOES IT TAKE?

COURSE DURATION

The typical course duration is **10 weeks**.

You should commit to at least 4 hours of study each week.

Each course requires a minimum of **24–40** learning **hours**.

Additional resources are provided for further research, allowing you to extend your study time and get more from the course if you wish.

The maximum duration for each course, as set by the CQI and IRCA, is 6 months, while the full Certificate must be completed within 3 years.

3: COURSE REQUIREMENTS

PRIOR LEARNING

The Professional Quality courses are aimed at experienced practitioners looking to advance to a strategic level.

The CQI and IRCA recommend you complete the relevant Practitioner course **OR** hold equivalent knowledge / experience.

At the point of enrolment, we ask you to provide a brief statement on your experience, training, qualifications and study goals (or you can send your CV), which we'll assess to ensure the level is appropriate and will match your development goals.

Unsure which level or course is right for you?
[Use the CQI tool to help,](#) or request a call with us.

ENGLISH LANGUAGE COMPETENCY

Course delivery is in English and a good standard of written and spoken English is required to participate effectively in learning and assessment activities. This is self-assessed and is not formally evaluated by rove.

Ensuring you meet these entry requirements will help you fully engage with the course content and successfully develop your quality management competence.

3: WHAT ARE THE COURSE FEES

£795.00 (+VAT) A 10% discount is applied if you enrol on the Professional Certificate in Quality Management.

Course fees cover:

Tutorial Support and
Assessment

Course Induction

Learning,
Assessment and
Support Materials

Learning
Management System
Account

CQI and IRCA
Registration

Certificate (Digital)

Payment can be made via bank transfer or online (including credit card).

3: CERTIFICATION & PROGRESSION

CERTIFICATION

On successful completion of each course, you will be awarded a **Certificate of Achievement**.

The Professional **Certificate in Quality Management** is awarded by the CQI and IRCA on completion of all six quality courses.

PROGRESSION

On completing the Professional course(s), you might want to consider the **QMS auditor courses** – PT236 is the internal auditor course (practitioner level) and PR328 is the lead auditor courses (professional level).

If you wanted to gain broader knowledge in quality management, you might want to consider a degree or Masters.

LEARNING IN PRACTICE

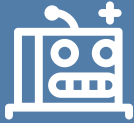

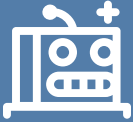

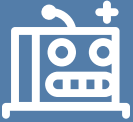

4: CASE STUDIES & LEARNER EXPERIENCES

Read how completing Professional level courses has helped learners strengthen their skills and apply quality management principles within their role, organisation and industry.

Discover how the knowledge gained supports real-world improvement and professional development.

<p>QUALITY IN CONSULTANCY</p> 	<p>QUALITY IN ENGINEERING</p> 	<p>QUALITY IN CONSTRUCTION</p> 	<p>QUALITY IN MANUFACTURING</p> 
<p>QUALITY IN ENGINEERING</p> 	<p>QUALITY IN ENERGY</p> 	<p>QUALITY IN MANUFACTURING</p> 	<p>QUALITY IN ENGINEERING</p> 

4: CASE STUDIES & LEARNER EXPERIENCES

'The course does motivate you to evaluate your organisations implementation of strategy mapping, and consider the effectiveness of the communication, alignment and other key strategy elements crucial for organisational success.'

Enterprise Performance Measurement – PR302

'Learning new tools, putting all of my experience in order, feeling qualified to lead in the subject matter once learned.'

Professional Certificate

'I thoroughly enjoyed the pace of learning in the course, as it was well-structured and allowed me to absorb and reflect on the material effectively without feeling overwhelmed. Additionally, the feedback provided was constructive and insightful, offering clear guidance on how to improve and deepen my understanding of the concepts. This course was also a great opportunity for me to bridge theory and practice.'

Enterprise Performance Measurement – PR302

'I really really liked being able to see my progress visually. The feedback from the tutor was really quickly turned round.'

Professional Certificate

'I enjoyed learning new techniques and reading around to find the answers, it's good to see how different organisations do similar activities.'

Strategic Change & Improvement – PR306

'The learning resources brought about new topics to my attention such as Prince2, which will be great to build on after this course. This helps greatly with planning my CPD topics as part of the CQI requirements.'

Professional Certificate

'I've been out of education for about 25 years, and getting into the swing of completing assignments and self-study has been challenging, but not unrewarding!'

Quality Strategy & Planning – PR303

'Prompt and constructive support was received throughout.'

Quality Strategy & Planning – PR303
